

Case Study:

Chester

The Firs School is an independantly ran school in the heart of Chester. They aim to provide top quality education and care, catering to students of 2 - 11 years.

Ensuring the children and staff are safe requires ongoing Health & Safety assessments and support.

THE PROBLEM

The First School required assistance with numerous issues, from aid with Employment law, Health & Safety Policy, Procedures, Risk Assessments and COSHH Assessments. As always, Wurkplace was on hand to guide them through the process.

3+ OS Risk Assessments

3+ OS COSHH Assessments

THE SOLUTION

As required, we reviewed their Health & Safety practices fully, as well as performing comprehensive Risk and COSHH Assessments, and provided them with a 30/60/90 day Action Plan, which our expert consultant used to help guide them in the right direction.

THE RESULT

As a result of our guidance and support, the First School now has top quality Health & Safety policies and procedures in place, with staff confident in identifying risks whenever they crop up.

They know that they can count on Wurkplace when they need us.

Audit

As with all our clients, we performed a comprehensive audit of their Health & Safety practices.

The audit included investigating their company:

Policies

Procedures

Spaces of Work

Risks

We identified any weaknesses, and outlined ways to fix them in our tailored Action Plan.

Advise

Once we completed our full audit, we provided them with an Action Plan on how to improve their practices.

This Action plan was used by our consultant to inform and enable us to improve their Health & Safety on their behalf, or inform and train their staff to reach autonomy.

We were on hand with unlimited email and phone support, as well as performing on site visits.

Action

Once the Action Plan was established, we moved to embed Health & Safety practices bespoke to their business.

This service included:

Risk Assessments

COSHH Assessments

Training Sessions

One-to-ones with Heads of Staff

We tailored our service to them, providing both actionable advice and risk management where needed.
